This architectural floor plan illustrates the ground floor of two industrial halls, totaling 44 parking spaces. The plan is divided into two main sections, each containing 22 parking boxes. Each box is labeled with a number (e.g., Box n° 1, Box n° 2, etc.) and its corresponding surface area (e.g., S: 91.59 m², S: 40.11 m², S: 92.81 m²). The plan also shows the layout of the halls, including internal walls, doors, and structural elements. Key features include:

- Structural Layout:** The halls are divided into a grid of boxes, with dimensions and structural lines clearly marked.
- Parking Spaces:** 44 individual parking spaces are shown, each with a car icon indicating its orientation and size.
- Site Context:** The plan includes a north arrow, a scale bar, and a site context map showing the location of the halls within a larger area, including the Z.I. Les Marais and the Z.I. Les Marais 2.
- Dimensions and Area:** The overall dimensions of the halls are 1220m by 1720m. The total area of the two halls is 4'842.92 m². The area of the parking spaces is 213.93 m². The area of the site is 196.40 m².
- Technical Details:** The plan includes various technical details such as door types (e.g., EP ø125 / PVC 1%, EP ø125 / PVC 2%), structural elements (e.g., Wc, Local Tech), and site context (e.g., Limite de propriété, Limite de construction).
